

Network Runners and Dexter Edwards to Partner and Exhibit at the 2018 CDCA Defense Summit

Sterling, VA and Herndon, VA. – Nov. 21, 2018 –Network Runners, a top technology consulting services company that serves the commercial and federal government market spaces, and Dexter Edward, a leading provider of high-performance Software Solutions for secure invisible cloud networks and encrypted communications, today announced they will be partnering and exhibiting together at the 2018 [Charleston Defense Contractors Association \(CDCA\) Defense Summit](#) in Charleston, S.C., on Dec. 5-6, 2018.

The CDCA Defense Summit is one of the largest defense-focused events on the East Coast, bringing together more than 1,000 government and industry leaders to spark ideas, innovation and solutions to technology challenges. Presentations, demonstrations, and collaborative discussions will include the full spectrum of defense technologies, with particular focus in the areas of C5ISR (Command, Control, Communications, Computers, Combat Systems, Intelligence, Surveillance, and Reconnaissance), information warfare and cyber security.

The Summit will explore topics including the 12 points of National Defense Strategy, Rapid Innovation, Unmanned Systems, IoT, Research & Development and Cyber Hardening. With the latest in end-to-end IT enterprise technology, the Summit is the premier venue on the East Coast to educate, network and increase understanding of the Department of Defense, modernization solutions and improved support for the Warfighter.

“We are excited to co-exhibit at this year’s CDCA Defense Summit with our partner, Dexter Edward, where we will feature their Software Solutions for secure invisible cloud networks and encrypted communications” said Manoj Bhatia, president and co-founder of Network Runners. “As an economically-disadvantaged, woman-owned small business (EDWOSB) based in Virginia, Network Runners has extensive experience and broad expertise in delivering customized solutions to the DoD and its contractors.”

"Dexter Edward is pleased to be presenting at Network Runners booth at CDCA. Both Dexter Edward and Network Runners have experience in delivering industry-leading products and technical services to the Department of Defense. What will be demonstrated is directly relevant to the secure communications needs of the Navy and Marine Corps," said Ira Marcus, Director of Business Development for Dexter Edward.
